
Unlock Code _TOP_ Download Alcatel Pixi 3 Sim Me

[Download](#)

the last step before unlocking your acer phone is to start the software, run the program and begin the code. remember, this process is just a guideline. normally if the unlock software is fine it'll prompt you an imei number for you to insert. but the additional step is to insert the sim-card into the phone to ensure that the imei number is correct. now, read the instructions that will pop up and follow the on-screen prompts. normally, the code that is provided with the unlock process is in a random sequence of numbers and letters. additionally, it is completely random which sim card to use. if you don't have an itu-model you will have to search for it using the imei number. please note that the imei is a 15 digit number that is located on the upper left side of the phone. contact us if you still have problems at the end of the unlocking process. have fun! the speed at which the alcatel pixi 4 unlock will be ready is 2 minutes. before going to download the unlock code, you will need to choose the alcatel pixi's carrier. this is possible by clicking the menu icon on the top right corner of the screen and then selecting the one you wish to unlock. now click the button below to begin download. don't forget to save the code because we don't have it for you. we recommend to give unlocky 10 - 15 minutes to finish the process before trying to unlock your phone. at the moment you will be directed to the download button. scroll to the bottom of the page, you will see the button 'add to facebook'. if you have a facebook account, you can leave the button active. if you don't, you can click on 'continue'.

Unlock Code Download Alcatel Pixi 3 Sim Me

after that all you need to do is to activate the unlock code that has been generated by unlocky by dialing *#4742#. this will send the unlock code to your phone. you must follow the instructions on your phone to complete the unlock process. once you have generated the unlock code you will have to activate it. this can be done by dialing *#4742#. you will receive instructions after you enter the unlock code. follow them to make sure your alcatel cell phone is really unlocked. now you can use your alcatel cell phone to talk, browse the internet and make calls as you want. your phone will now function just like the original one. however, you have to make sure you keep your alcatel cell phone away from water, since the cells can be damaged by the water. unlocky is a safe and reliable cell phone unlock. with just a few clicks and entering some information on your acer, you can take full control of your alcatel cell phone. you can use it as the original one or change the imei if you wish. it's up to you. all procedures to unlock your cell phone with the use of unlocky are completely safe. besides, you are done after you have submitted the unlock code to unlocky. you can activate the unlock code after you receive it. i have successfully tested all the unlocking methods listed above for the alcatel pixi 4 as well as other brand's phones. every method i've mentioned produces the same results and all the phones that i have tested unlocked. our unlock tool also does the following things: find out your phone's imei (international mobile equipment identifier) and otp (one time password) calculates the unlock code creates a new network unlock code. a new network unlock code is different from your imei and otp. confirm network unlock code and availability to that network. downloads the unlock file and writes it to your phone. locks phone permanently to the network. 5ec8ef588b
